

Steps to verify your web store account.

For existing web store accounts only.

By verifying your account in our web store, you will enable the option to pay on your Pitney Bowes account at checkout.

You can verify your account by following the below steps:

- Firstly, make sure you are signed in to your web store account. Go to **My Account** in the top right-hand side menu bar and click on **My account details**.
- Scroll down until you see the section titled: **Register your Pitney Bowes customer account**.
- Follow the instructions below for quick and easy verification.

Step 01

Select the State or Territory of your main office.

Step 02

Search your company name as registered with Pitney Bowes.

Step 03

Your company will be registered with an online account.
